Junior Sailing Program 2024 Early Drop-Off and Late Pick-Up

At the request of parents, the Club provides supervision for children between 8 a.m.- 8:50 a.m. and 4 p.m.- 5:30 p.m. There is an additional charge for this service of **\$49.80 per week for morning and evening.**

During this supervised time, activities will be organized at Duggan House (the home of the Junior Sailing Program) and at the pool. Parents will be asked to sign in and out with the instructor on duty. **Given that the Club is such a large facility, we encourage the parents of all children who cannot drop off or pick up their children during regular hours to take advantage of this service!** We want to ensure the safety of your children at the Club.

Children not registered for this service will not be supervised outside of regular program hours.

To reserve your space, the registration must be made **by June 1, 2024.**
